15-pin SATA (Female) to 4-Pin (Male) cable powers a Serial ATA hard drive from a standard Molex connection.

Features

15-Pin SATA to 4-Pin Molex Power Cable Needs Only an LP4 Power Supply Connection This SATA 15-pin to 4-pin power cable connects any Serial ATA drive to any conventional LP4 internal connector. Ideal for desktops or servers equipped with a 2.5 in. or 3.5 in. SATA hard drive, this six-inch cable features one 4-pin Molex (LP4) male connector and one 15-pin SATA female power connector.
