The Neomounts by Newstar tablet mount, model TABLET-UN100BLACK is a universal tablet mount offering the tablet maximum functionality. Product Size 225X120X50mm, available for: iPad, Samsung, Universal tablets to fit size:8.9"-10.4". This mount installs on any bracket using VESA75 or VESA100 hole pattern. Select a wall-, desk- or ceiling mount and install the tablet bracket using the VESA holes.

In combination with ceiling-, desk-, or wall mounts this universal bracket becomes a powerful tool allowing tilt, swivel, rotation, height and depth adjustment depending on the selected mount. With VESA75 or VESA100 hole pattern this bracket can be used with most mounts from different brands. Select the best solution for your needs and combine it with Neomounts by Newstars' tablet mount.

The mount has been arranged both for left - and right-handed users. Most tablets are appropriate on this holder. By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.
