

**Product Name**

Multi Stream Transport (MST) Hub DisplayPort™ to HDMI® Triple Monitor

Product Series

SenseVision

Itemcode

CSV-5300H

EAN code

8717249400844

UPC code

854365005794

Description:

Display devices have always been a key part of the PC experience. PC Gamers want a more immersive experience and Professionals seek more desktop space to run apps side by side and increase their productivity. The easiest solution is to add multiple Monitors to an existing Laptop or Desktop PC. The SenseVision MST Hub HDMI® Triple Monitor utilizes Multi Stream Transport, a unique DisplayPort™ 1.2 feature, to split a single DP 1.2 signal into multiple HDMI® outputs. This enables Three Full HD HDMI Displays to be driven independently from one DisplayPort™ 1.2 output on the source device. With multiple Monitors, games become more immersive, workstations become more useful and you become more productive.

Note: When using a DisplayPort 1.1 video card the MST hub will act as a splitter, automatically mirroring your video source across all displays.

Features:

- Compliant with: DisplayPort™ v1.2a, DisplayPort™ v1.1a, VESA DDM Standard, HDMI 1.4 Specification, HDCP 1.3 Content protection
- Supports main link rates of 5.4Gbps (HBR2), 2.7Gbps (HBR) and (1.62Gbps RBR) from source
- Supports three HDMI 1.4 ports
- Supported output resolutions : up to 3840x2160p @ 30Hz for Single Monitor, up to 2560X1600p @ 60Hz for Dual Monitors and up to 1920x1080p @ 60 for Three or Four Monitors.
- Supports Advanced Wide Eye™ SerDes technology enables high Jitter performance
- Supports AMD Eyefinity Technology
- Works with AMD, Nvidia and Intel HD Graphics solutions
- Including Mini DisplayPort™ to DisplayPort™ adapter for max compatibility
- Functionality may vary per GPU and OS

Note: Some Notebooks and Tablets have Integrated Graphics Chips which do not support more than 3 screens in total.

Please check your device specifications for further information.
