- E.P.S. - Essential Protection System

Logitech® Type - S, the thin and light protective keyboard case that lets you create, explore and say more with your Samsung Galaxy Tab S 10.5. Features a built-in Bluetooth keyboard with well-spaced keys and Android shortcuts that makes typing familiar, fast and fluid. With auto-wake and auto-sleep, your tablet is always ready when you need it. Type - S provides versatile viewing positions so you can easily use your tablet for different activities. Position it upright to type emails and chat, or lay it flat to read and browse in comfort. E.P.S. (Essential Protection System) helps protect both sides of your tablet from accidental bumps, scratches and spills.
