

FRONT LOAD WASHERS

WM2650HRA

Performance

- 4.1 cu.ft. Large Capacity with NeveRust™ Stainless Steel Drum (IEC)
- DirectDrive™ Motor for the Ultimate in Durability and Reliability with 10 Year Warranty
- 10° TilTub™ for Easy Reach into the Rear of the Drum
- 1200 RPM Powerful Spin for Efficient Water Extraction

Intelligent Fabric Care

- Steam™ Technology
- ASC Certified Allergiene™ Cycle
- NSF Certified Sanitary Cycle
- ColdWash™ Technology
- 6Motion™ Technology
- SmartDiagnosis™
- TrueBalance™ Anti-Vibration System
- Magnet Ventilation
- SenseClean™ System for Intelligent Fabric Care
- 9 Washing Programs and 5 Temperature Settings
- Delay Wash up to 19 hours for Washing Convenience

Style and Design

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Chrome Rimmed Glass Door

Technology Benefits

- LoDecibel™ Quiet Operation
- Highly Energy and Water Efficient

NSF certifies the SANITARY course which is intended for reducing 99.9% of bacteria and other harmful microscopic organisms on laundry.

LG front load washers exceed Energy Star classifications by a minimum of 39%.

FRONT LOAD WASHERS

All the Right Moves

With 6Motion™ technology, each wash cycle combines up to 6 different wash motions to provide a revolutionary cleaning experience and ultimate fabric care.

Better Clean with Steam

Harness the power of steam to loosen soil, penetrate fabrics and release stains for laundry results that are sure to impress.

Count On It

When you buy a washer, you don't want to worry that it won't last. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

The Hottest Thing in Cold

Now using the cold cycle on your washer doesn't mean compromising on how clean your clothes are. ColdWash™ technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold-water savings with warm-water performance.

Press and Go

The Electronic Control Panel with Dial-A-Cycle™ makes this an intuitive washer that allows you to just "press-and-go".
