DS1155/05

Sound that fits your home

Compatible with iPhone 5 and the latest iPods through the Lightning connector, the DS1155 docking speaker not only sounds full and rich, it also boasts a clock display and soft night light, making it the perfect device for your nightstand.

Benefits

Surprisingly rich sound

- Shielding technology to block mobile phone interference
- Rich omni-directional sound to fill your bedroom
- 6 W RMS total output power

Advanced versatility

- Fast charging and play music via Lightning connector

Elegant and compact

- 360-degree design for gorgeous look from any angle
- Elegant and compact design to fit on any bedside table

Designed for your bedroom

- Auto clock synchronisation with iPod/iPhone when docked
- Charge your second mobile device via USB
- Soft glow night light

PHILIPS

Features

Play and charge via Lightning

Enjoy your favourite music while charging your iPod/iPhone via the new Lightning connector! Just dock it directly on the speaker to play your hand-

picked tunes in superb sound. It also charges your device quickly while it's playing, so you don't have to worry about the battery running out.

Auto clock synchronisation

When connected and docked, this docking station will automatically synchronise the clock with your iPod/iPhone.
