Highlights

Cup is dishwasher safe

All parts are dishwasher safe for convenience

One-piece spout

The valve is built into the spout, ensuring assembly is fast and hassle-free.

Ripple shape

Container of the sippy cup is designed to allow easy gripping for little hands.

Spill-free cup

Built-in valve for spill-free drinking

BPA free

This sippy cup is made from BPA-free material

Easy drinking

The one-piece silicone spout is easy to drink from: liquid starts flowing when pressure is applied to the spout.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible, excluding the glass bottles and the Grown-up cup. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
