

Thule Crossover™ MacBook® Solutions

Thule Crossover™ 32 Liter Backpack for 17" MacBook Pro® + iPad®

TCBP-417

This large 32 liter backpack is designed for gear-heads who need dedicated electronics protection plus plenty of bulk storage and organization pockets for whatever the day might bring.

Product Features:

1. Rear organization compartment has an elevated laptop compartment for your 17 inch Macbook Pro, a sleeve for your iPad and slip-stash pocket for files or magazines
2. Water-resistant fabrics and zippers combine to create a durable, go anywhere bag.
3. Crush-proof SafeZone™ compartment protects eyewear, portable electronics and other fragile gear.
4. The roomy main compartment can house books, bulky items or a change of clothes.
5. The Shove-it Pocket™ with compression strap provides additional external storage for a jacket or newspaper.
