

MPN: MMG2494/4GB

## 4GB Memory Module NON-ECC, DDR3 PC3 12800, 204PINS, SO-DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

## Specifications

|                    |                                     |                                                               |
|--------------------|-------------------------------------|---------------------------------------------------------------|
| Features           | CAS latency                         | 11                                                            |
|                    | Compatible products                 | Apple iMac 27" A1419\nAsus G750JH\nLenovo/IBM Essential M5400 |
|                    | Component for                       | Notebook                                                      |
|                    | ECC                                 | No                                                            |
|                    | Internal memory                     | 4 GB                                                          |
|                    | Internal memory type                | DDR3 PC3 12800                                                |
|                    | Linux operating systems supported   | Yes                                                           |
|                    | Memory clock speed                  | 1600 MHz                                                      |
|                    | Memory form factor                  | 204PINS SO-DIMM                                               |
|                    | Memory layout (modules x size)      | 1 x 4 GB                                                      |
|                    | Memory type                         | PC-12800                                                      |
|                    | Memory voltage                      | 1.35 V                                                        |
|                    | Module configuration                | 512M x 8                                                      |
|                    | Product colour                      | Green                                                         |
|                    | Windows operating systems supported | Yes                                                           |
| Other features     | Capacity                            | 4 GB                                                          |
