

Logitech®

Type+

Protective case with integrated keyboard for iPad Air.

- Integrated *Bluetooth*® keyboard with iOS shortcuts
- Protective case
- Thin and light
- 2 viewing angles

Logitech® Type+, for when you want to say more with your iPad Air. Protective case with integrated keyboard for iPad Air. Type+ features a built-in *Bluetooth*® keyboard with well-spaced keys and iOS shortcuts that make typing familiar, fast and accurate. With auto-wake and auto-sleep, your iPad Air is always ready when you need it. Type+ provides two viewing angles so that it's easier to use your iPad for different activities. Position your iPad Air upright to type emails or chat, or lay it flat to read and browse in comfort. Type+ covers both sides of your iPad Air and is made of liquid-repellent fabric, protecting your iPad Air from accidental bumps, scratches and spills.

iPad Air not included
