PSMU-PRSS(-S)(-W)

PSMU Security Projector Mount
For projectors up to 50lb (22kg)

Designed with security in mind, the PSMU-PRSS offers dual layers of protection for virtually all multimedia projectors. Its key-lock tray design restricts access to the projector attachment hardware and also serves as a visual theft deterrent offering an extra level of security. PSMU-PRSS includes the PRSS UL listed mount for fast and easy installation and precise image alignment.

Max load: 50lb (22kg)

FEATURES

- Keyed lock provided security for theft deterrence

- Two-piece tray design prevents access to security fasteners

- Easy-access hinge design for quick projector removal, enabling lamp and filter maintenance

- Top access hole for cable management

- Mount and security fasteners included

- Includes PRSS Projector Mount for precise image alignment

- Specifications:

Pitch:	+15°/-20°
Roll:	±5°
Swivel:	360° (during installation)

IMAGE ALIGNMENT MADE EASY
Independent adjustment screws allow for a hassle free adjustment of the pitch, roll and swivel
