Advantages:

- Keeps you warm for long: large carbon heating pads for up to 6 hours of warmth with the Bosch 10.8 V battery
- Combining comfort and function: 3 heat levels so you can set your own heat setting, maximum mobility due to optimum fit and a strong, water and wind-resistant soft shell material
- Take advantage of the battery power to charge your mobile phone, listen to music, etc. – via the USB port on the battery adapter
- Adapter for convenient charging in the jacket and breast pocket via a cable system
- Use of existing batteries: jacket can be powered with 1.5-Ah, 2.0-Ah or 4.0-Ah 10.8-V Bosch Professional batteries
- Plenty of pockets in different sizes, ideal for storing documents
