

Caster Wheel Set for 19" Racks

Set of Four, Two Brakes, Heavy-Duty

Part No.: **712170**

EAN-13: 0766623712170 | UPC: 766623712170

This Intellinet Network Solutions Caster Wheel Set for 19" Cabinets offers reliability, stability and mobility when you need it most. This four-piece set comes with two casters that feature easy-to-apply foot brakes and two free-rolling casters. All four have a hardened-steel, zinc-plated axle for durability and stability. The wheels are made from a thick urethane tread wrapped around a 100% nylon core. This ensures easy, noiseless mobility and will not leave marks on your floor.

Features:

- Set of four casters: two with brakes, two without
- Maximum static load of 600 kg
- Zinc-plated steel
- Three-year warranty

Specifications:

- Maximum static load: 600 kg (150 kg per piece)
- Material: Steel and ABS Plastic
