### USB hub

USB is one of the most common and convenient standards for connecting computers and devices to each other. Easily connect peripherals like a keyboard and mouse directly to your display, or hook up your camera and printer. It's also ideal for transferring data and copying files, plus you can charge your phone or other devices while you work.

### Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge. Read the complete [AOC warranty](#) statement for more information.

### USB monitor

Discover the freedom and flexibility of AOC's myConnect USB monitors. A single USB cable connects your laptop to the directly to the display, completely eliminating the need for extra media cables and a power supply. The USB cable transfers data to the screen, plus acts as an energy-efficient power source. For work or play, these monitors offer optimal portability.
