

Philips
PC Headset

• On-ear

SHM3560/27

Voice Clarity

Lightweight comfort

This headset delivers clear sound and voice for you and others. Lightweight design ensures comfortable long time wearing. It comes with an inline mute & volume control and ensures compatibility with laptop models with single 3.5mm connector.

Benefits

Clear sound

- 32mm drivers deliver clear sound

Longer listening comfort

- Adjustable lightweight design ensures long wearing comfort

Voice clarity

- Adjustable and rotatable Noise Cancelling boom microphone

Always in control

- Inline mute and volume control for quick adjustments

Compatible with laptops with single connector jack

- Combo plug for use with single 3.5mm jack

PHILIPS

Features

32mm drivers for clear sound

Acoustically tuned 32mm neodymium drivers ensure absolute sound clarity

Adjustable lightweight design

The lightweight headband design ensures you can wear comfortably for longer time without feeling pressure or hot.

Noise Cancelling microphone

The adjustable and rotatable noise cancelling microphone allows your voice to be picked up clearly and without ambient noise.

Combo plug

The combo plug ensures compatibility with laptops with combined headphone & microphone jack. It also allows you to enjoy music (and chat) from select other devices with a single 3.5mm jack

Inline mute and volume control

Convenient inline mute and volume controls allow for quick adjustments
