|                        |                                                                                                                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended retailer text | Powerful sound, high-end audio quality, compatible with any TV, combined with an elegant design: the Trust Mitho 2.1 Smart TV speaker is the perfect addition for your living room.<br><br>Powerful, room-filling Sound |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Top quality sound at full power. Using her 120 Watts of peak power and wooden 6.5” subwoofer, the Mitho Smart TV speaker will bring your music, games and movies to life.

In contrast to the roaring sound, the design is as elegant as it gets: tight designs combined metallic accents.

Ease of Use

Connect the Mitho speaker with any TV, and easily control it using your own TV remote: simple and efficient.

Eco Mode

The Mitho speaker features Smart Power Management, it automatically goes into standby mode when not in use. As soon as sound kicks in again, the speaker will turn back on automatically.
