## Deep Fryer PRO

4 L - Stainless steel housing

The cool zone prevents food residues from burning: for a better taste and aroma! Also including Safety Oil Filter, which prevents excessive spattering, bubbling, and overflowing. Especially useful when frying frozen food.

|                           |                 |
|---------------------------|-----------------|
