PHILIPS ZOOM!

Specifications

Performance

- Whitening results: Maximum whiteness in 45 min.

Highlights

Adjustable settings

Unlike some other whitening systems, Philips Zoom WhiteSpeed has adjustable intensity settings and can be customised to eliminate sensitivity to maximise your comfort. In fact, over 90% of people surveyed experienced little to no sensitivity with the Philips Zoom WhiteSpeed lamp.

Impressive results fast

Why wait for results when you can have whiter teeth now? With the Philips Zoom WhiteSpeed lamp, you can achieve your whitest smile in just one 60-minute visit to your dentist's surgery.

Light-activated technology

Unlike many other systems, Philips Zoom WhiteSpeed uses a proprietary LED light to accelerate whitening for maximum results in minimal time.
