

MPN: PE090420C15

BS-1363/C15, 2 m, Black

The MicroConnect PE090420C15 Power Cord UK is a reliable and essential cable designed to safely connect your devices to UK mains power outlets. This 2-meter black power cord features a standard UK plug on one end and a C15 connector on the other, making it ideal for devices requiring this specific connection type, such as some high-power servers and network equipment. Engineered with premium quality materials and adhering to strict European safety standards, this power cord ensures a secure and stable power supply. MicroConnect has over 20 years of experience providing high-quality connectivity solutions, and this power cord is a testament to our commitment to providing dependable products at a fair price. Upgrade your power connectivity with the MicroConnect UK power cord.

Specifications
