

USB car charger

- Universal

DLV2201/27

Charge your devices in the car

with one versatile USB charger

Compact and convenient, this USB charger keeps your device charged on the road using your device's existing USB cable. It delivers more power to fully charge even faster. The replaceable safety fuse protects against electrical surges.

Benefits

Power on the road

- Charge from a car's 12V outlet
- Replaceable safety fuse protects against electrical surges
- Works with USB-based devices

Fast charging

- Delivers more power for a faster charge

PHILIPS

Features

Delivers more power

Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Replaceable safety fuse

The car charger features a replaceable safety fuse which protects your device against electrical surges in your car.

Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.
