

MPN: MMA1112/16GB

## 2x8GB Memory Module NON-ECC, DDR3 PC3 12800, 204PINS, SO-DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

### Specifications

|                    |                                     |                 |
|--------------------|-------------------------------------|-----------------|
| Features           | CAS latency                         | 11              |
|                    | Component for                       | Notebook        |
|                    | ECC                                 | No              |
|                    | Internal memory                     | 16 GB           |
|                    | Internal memory type                | DDR3 PC3 12800  |
|                    | Linux operating systems supported   | Yes             |
|                    | Memory clock speed                  | 1600 MHz        |
|                    | Memory form factor                  | 204PINS SO-DIMM |
|                    | Memory layout (modules x size)      | 2 x 8 GB        |
|                    | Memory type                         | PC-12800        |
|                    | Memory voltage                      | 1.35 V          |
|                    | Module configuration                | 512M x 8        |
|                    | Product colour                      | Green           |
|                    | Windows operating systems supported | Yes             |
| Other features     | Capacity                            | 16 GB           |
|                    | Chips organisation                  | 512*8           |
|                    | Number of pins                      | 204             |
| Packaging data     | Package type                        | SO-DIMM         |
| Vendor information | Brand Name                          | CoreParts       |
|                    | Warranty                            | 10 Year(s)      |
