

MPN: MMH9731/32GB

## 4x8GB Memory Module ECC/REG, DDR3 PC3 12800, 240PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

### Specifications

|                           |  |                |
|---------------------------|--|----------------|
| <b>Features</b>           | <b>CAS latency</b>                         | 11             |
|                           | <b>Component for</b>                       | PC/server      |
|                           | <b>ECC</b>                                 | Yes            |
|                           | <b>Internal memory</b>                     | 32 GB          |
|                           | <b>Internal memory type</b>                | DDR3 PC3 12800 |
|                           | <b>Linux operating systems supported</b>   | Yes            |
|                           | <b>Memory clock speed</b>                  | 1600 MHz       |
|                           | <b>Memory form factor</b>                  | 240PINS DIMM   |
|                           | <b>Memory layout (modules x size)</b>      | 4 x 8 GB       |
|                           | <b>Memory type</b>                         | PC-12800       |
|                           | <b>Memory voltage</b>                      | 1.5 V          |
|                           | <b>Module configuration</b>                | 1024M x 4      |
|                           | <b>Product colour</b>                      | Green          |
|                           | <b>Windows operating systems supported</b> | Yes            |
| <b>Other features</b>     | <b>Capacity</b>                            | 32 GB          |
|                           | <b>Chips organisation</b>                  | 1024*4         |
|                           | <b>Number of pins</b>                      | 240            |
| <b>Packaging data</b>     | <b>Package type</b>                        | DIMM           |
| <b>Vendor information</b> | <b>Brand Name</b>                          | CoreParts      |
|                           | <b>Warranty</b>                            | 10 Year(s)     |
