

MPN: MMH9731/32GB

## 4x8GB Memory Module ECC/REG, DDR3 PC3 12800, 240PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

## Specifications

|                    |                                     |                |
|--------------------|-------------------------------------|----------------|
| Features           | CAS latency                         | 11             |
|                    | Component for                       | PC/server      |
|                    | ECC                                 | Yes            |
|                    | Internal memory                     | 32 GB          |
|                    | Internal memory type                | DDR3 PC3 12800 |
|                    | Linux operating systems supported   | Yes            |
|                    | Memory clock speed                  | 1600 MHz       |
|                    | Memory form factor                  | 240PINS DIMM   |
|                    | Memory layout (modules x size)      | 4 x 8 GB       |
|                    | Memory type                         | PC-12800       |
|                    | Memory voltage                      | 1.5 V          |
|                    | Module configuration                | 1024M x 4      |
|                    | Product colour                      | Green          |
|                    | Windows operating systems supported | Yes            |
| Other features     | Capacity                            | 32 GB          |
|                    | Chips organisation                  | 1024*4         |
|                    | Number of pins                      | 240            |
| Packaging data     | Package type                        | DIMM           |
| Vendor information | Brand Name                          | CoreParts      |
|                    | Warranty                            | 10 Year(s)     |
