

Straight Tether Combo Lock

Us

**Simple to use and easy to deploy - our
combo lock is perfect for situations where
keys are not wanted.**

Designed to secure any device with a security slot, from laptops to TVs, our combo lock is now available with a straight tether, made from wound high-tensile steel, coated in a PVC skin.

Our four dial combo lock allows for 10,000 combinations, which the user can easily define so the code can be reset as often as you wish, giving you the benefit of not having to worry about where you left the keys.
