Marketing

Extended retailer text	The Comfo PC Headset is a high quality stereo headset with an adjustable microphone and extra-large cushioned ear pads for maximum comfort. The headset works perfectly with all PC's and laptops!
------------------------	--

Great audio quality

The Comfo PC headset offers great audio quality with a deep bass and is specifically designed for online gaming sessions, listening to music and chatting applications such as Skype.

The 3.5 mm jack connection makes it perfect for use on PC, but also allows you to use your Comfo headset with almost any other device!

Maximum comfort

The Comfo ensures maximum comfort, thanks to its soft ear pads and adjustable headband. The extra-large ear pads will fit around your ear perfectly and therefore noise can be reduced to a minimum! The sensitive microphone has a rotating design which provides clear speech quality and can be turned away when not in use.
