

MPN: MO-XFP-10GLR-OC192SR

# XFP 10 Gbps, SMF, 10 km, DDMI support, Compatible with Cisco XFP-10GLR-OC192SR

Micro-Optics products provide seamless connectivity for all your current and future network hardware needs.

- **\*\*100% Cisco Compatible\*\***

## Specifications

|                        |                                      |                         |
|------------------------|--------------------------------------|-------------------------|
| Features               | Brand compatibility                  | Cisco                   |
|                        | Certification                        | MSA                     |
|                        | Compatible products                  | Cisco XFP-10GLR-OC192SR |
|                        | Easy to install                      | Yes                     |
|                        | Form factor                          | XFP                     |
|                        | Plug and Play                        | Yes                     |
|                        | RoHS compliance                      | Yes                     |
| Operational conditions | Operating temperature (T-T)          | -45 - 75 °C             |
|                        | Storage relative humidity (H-H)      | 10 - 85 %               |
|                        | Storage temperature (T-T)            | -40 - 85 °C             |
| Packaging data         | Number of products included          | 1 pc(s)                 |
| Performance            | Digital Diagnostics Monitoring (DDM) | Yes                     |
|                        | Fiber optic connector                | LC                      |
|                        | Fiber ports quantity                 | 1                       |
|                        | Interface type                       | XFP                     |
|                        | Maximum data transfer rate           | 10000 Mbit/s            |
|                        | Maximum transfer distance            | 10000 m                 |
|                        | Multi-mode fiber (MMF) supported     | No                      |
|                        | SFP transceiver standard             | LR                      |
|                        | SFP transceiver type                 | Fiber optic             |
|                        | Single-mode fiber (SMF) supported    | Yes                     |
|                        | Wavelength                           | 1310 nm                 |
| Vendor information     | Brand Name                           | Lanview                 |

|                    |              |           |
|--------------------|--------------|-----------|
| Vendor information | Warranty     | 3 Year(s) |
|                    | Package type | White Box |
