- Jet clean system

RQ1185/42

Soft touch, smooth skin

The Philips SHAVER series 7000 gives a soft touch for a smooth shave. The GyroFlex 2D system adjusts easily to the curves of your face and shaves even the shortest stubble with its DualPrecision blades.

Benefits

A close, comfortable shave

- Cutting slots & holes catch even the shortest hairs
- Super Lift and Cut blades raise hairs to cut closer
- 2-way flexing heads adjust easily to the curve

Skin friendly

- Aquatec seal for a comfortable dry & a refreshing wet shave
- Smooth, low-friction SkinGlide to minimise irritation

Easy to use

- Simply rinses clean
- 50 shaving minutes, 1 hour charge
- 2 level battery indicator with travel lock
- Click-on Beard Styler with 5 length settings
- Jet Clean system cleans, lubricates and charges the shaver
- Charging stand keeps your shaver fully charged and ready
- 2-year guarantee, worldwide voltage and replaceable blades

PHILIPS

Features

Dual Precision blades

DualPrecision blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble

Super Lift and Cut

The dual blade system built into the Philips electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

GyroFlex 2D

GyroFlex 2D contour-following system of the shaver adjusts easily to the curves of your face, minimizing pressure and irritation for a close shave.

Aquatec Wet and Dry

The Aquatec wet & dry seal of the electric shaver lets you choose how you prefer to shave. You can get a comfortable dry shave or a refreshing wet shave using a shaving gel or foam for extra skin comfort.

Fully washable shaver

Simply pop the heads open, and rinse thoroughly under the tap.

SkinGlide

The low-friction SkinGlide shaving surface of the electric shaver slides smoothly along your skin for a close easy shave.

Cordless use - 50 mins

An energy-efficient, powerful lithium-ion battery gives you more shaves per charge. Charge it for an hour and you'll have up to 50 minutes of shaving time. Charge it for 3 minutes and you'll have enough power for one shave.

2 level battery indicator

The multi-level LED display shows when the battery is low, when you need a new head and when the travel lock is on. Travel lock prevents the product from turning on by accident. Press any button for 3 seconds to activate the travel lock, so the product doesn't get turned on accidentally. A red lock symbol shows when the travel lock is on.

Click-on beard styler

Change up your look with the skin-friendly beard styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs prevent skin irritation.

Jet Clean system

The Jet Clean system keeps your shaver in perfect condition for a superior shave day after day. The blades and heads are thoroughly cleaned and lubricated. It also fully charges the shaver in only 1 hour. Includes 1 bottle of Jet Clean solution, for up to one month of cleaning. Jet clean solution is a water-based cleaning fluid that thoroughly cleans and also lubricates the shaving heads - making every shave feel like the first.

Charging stand

The foldable charging stand is designed to fit into even the smallest spaces, so you can charge it wherever you want and easily take it with you when you travel.

Shaver series 7000 SensoTouch

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
