

Philips
AquaTrio Pro with Triple-
Acceleration Technology

3-in-1: vacuums, mops & dries

Triple-Acceleration Technology
Visible wet cleaning
All hard floors

FC7088/61

Vacuums, mops and dries in one go

Visible wet cleaning for hard floors

AquaTrio Pro simultaneously vacuums, mops and dries, saving up to 50% time and effort*. Powerfull and gentle microfiber brushes to effectively remove dirt & stains. For perfect visible wet cleaning results on all hard floors**.

Revolutionary technology for perfect results

- Advanced cleaning performance for perfect results
- Removes up to 99% of bacteria*** and reduces allergens
- 2 micro-fiber brushes remove all dirt, dust and grime
- Allergy friendly quality tested by ECARF

Constant cleaning performance

- Separate clean and dirty water tanks
- Fast rotating brushes clean themselves while in use

Easy to use and efficient

- Cleans more than 60m² with one water tank
- Self-cleaning appliance with flushing tray
- Effective with cold/warm tap water, with/without detergent
- Save up to 50% energy. Save up to 70% water*
- LED indicators to inform when action is required
- Ideal for all hard floors**

PHILIPS

Highlights

Triple-Acceleration Technology

- Vacuums: powerful Aqua Cyclone pulls and removes all spills, dirt and dust - Mops: counter-rotating microfiber brushes apply a mist of clean water to efficiently lift dirt and grime. All dirt is dissolved in water and captured in a separate tank. - Dries: brush rotation speed creates airflow that leaves the floor virtually dry

Hygienic cleaning results

AquaTrio Pro removes up to 99% of all bacteria*** and reduces allergens. Because of the separation of a clean and dirty water tank all dust and allergens will be trapped in the dirty water tank.

Tap water

AquaTrio Pro gives excellent results using just cold or warm tap water. If required, you can also add detergent of your choice but use always a low-foaming or non-foaming floor cleaning detergent which is suitable for your hard floor.

Fast rotating brushes

Powerful micro-fiber brushes rotate at 6700 rpm to effectively remove all spills, dust and dirt while adapting to the different shapes of the floor and even cleaning in crevices.

Separate water tanks

Separate clean and dirty water tanks ensure that you always mop with clean water, all dirt

and allergens are contained in the dirty water tank.

Floor dries 50% faster

Floor dries up to 50% faster compared to regular mopping.

For all hard floors**

Perfect for all hard floors (suitable for wet mopping): wood, parquet, laminate, vinyl/linoleum, ceramics/tiles, marble/natural stone.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications

Design

- Color: Anthracite

Filtration

- Filter system: Cyclonic. No filter to clean

Performance

- Input power (IEC): Max 500 W
- Mechanical power: 6700 rpm
- Cleaning Technology: Triple-Acceleration Technology
- Mopping element: 2 microfiber rotating brushes

Usability

- Surface coverage per tank: More than 60m²
- Clean water: Refill indicator: Yes, LED indicator
- Action radius: 9.5 m
- Power supply: Corded
- Start up time: Immediately
- Suitable for wood and parquet
- Detergents that can be used: clear detergent or just water
- Change brush while cleaning: Not needed

- Filters to clean: None
- Handle for easy lifting
- Moves forwards or backwards
- Clean water tank capacity (max): 0.65 L
- Dirty tank: Full indicator: Yes, LED indicator
- Dirty water tank capacity (max): 0.8 L
- Cord length: 8 m

Sustainability

- Energy efficient

Weight and dimensions

- Dimensions of product (LxVxH): 305 x 320 x 1150 mm
- Weight of product: 6.7 kg
- Weight with packaging: 10.8 kg
- Dimensions of packaging (LxVxH): 790 x 390 x 395 mm

Nozzles and accessories

- Accessories included: Flushing tray
- Nozzle width: 320 mm

Issue date 2016-05-19

Version: 14.4.1
