PHILIPS

Imaginative 3D Shape

Thanks to the imaginative 3D shape, the light will spark your kid's imagination as it brightens up the room.

Ideal for general illumination

This Philips and Disney light for your child's bedroom is the perfect centrepiece to create a pool of light. It provides the ideal light setting for your child's daily routines.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.

Adjustable height

This pendant is delivered with long cables to offer you maximum flexibility during installation. Choose the perfect height to match your needs.

Adjustable angle

The angle of this pendant can be easily adjusted to give a personal touch.
