## Features

### 1.8 m cord

1.8 m cord for maximum flexibility.

### 2 years guarantee

2 years of worldwide guarantee.

### 22mm thermo brush

The thermo brush has an small diameter of 22mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves on short hair.

### 38mm thermo brush

The thermo brush has an extra wide diameter of 38mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

### 800W

This 800W airstyler creates the optimum level of airflow and gentle drying power for beautiful results every day.

### Cool air setting

A cool air setting allows you to dry hair at relatively low temperature to minimize damage, which is suitable for especially fine, dry and damaged hair. And it is a perfect setting for the hot summer season!

### Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

### Narrow concentrator

The concentrator of the hair dryer works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch ups or to finish a hair style.

### Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

### ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

### Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.
