Whirlpool induction glass-ceramic hob - ACM 795/BA

5 induction rings. flexiCook zone technology, allowing you to combine multiple burners into a single cooking zone, for larger pots and pans. Intuitive slider, for effortless control of your appliance settings. 6th SENSE technology, that allows you to automatically set the optimum temperature and power for simmering, melting or boiling, at the touch of a button. This Whirlpool induction glass-ceramic Hob features: An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results.

FlexiCook

Flexibility and performance. FlexiCook provides flexible cooking space for pots and pans of any size.

Slider

Intuitive cooking. The intuitive touch-sensitive Slider allows you to control the power for each hob whilst the illuminated display shows you which cooking zones are currently being used.

Booster

Enjoy super fast boiling times with the Booster cooking zone.

6TH SENSE

Enjoy ideal cooking results. 6TH SENSE automatically sets the ideal temperature and power for simmering, melting, or boiling, at the touch of a button.

Flexible Cooking

Automatic power settings. Select the cooking function on your touch display and your hob will automatically adjust the power level accordingly.

Melting

Perfect low-heat cooking. The Melting function allows you to cook at very low temperatures, providing you with the ideal solution for melting chocolate, butter or for cooking light, delicate sauces.

Front Controls

Complete control over your cooking. Easily accessible and genuinely intuitive, the controls are conveniently positioned on the front panel of your hob, providing a frictionless cooking experience.

Induction technology

Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

Simmering

Superb simmering. The Simmering function allows you to obtain the perfect results for your slow-cooking recipes, and prevents your food from toughening.
