- Quick Calc Release for longer lasting steam performance
- Iron switches off automatically when left unattended
- Self-Clean for long-lasting steam performance

Comfortable ironing

- Auto Steam Control for the right steam for each garment
- Triple precision tip for optimal control and visibility
- Optimal weight for easiest manouvrability over your garments

PHILIPS

Highlights

2400W for quick heat up

With the 2400W the Azur Performer steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 180 g

The steam boost can be used for vertical steaming and tough creases.

SteamGlide Plus soleplate

Our best gliding SteamGlide Plus soleplate to whizz through your ironing. The carefully design vents secure a well balanced steam distribution.

Quick Calc Release

Regularly cleaning the iron from calc results in longer lasting steam iron performance and better ironing results. Our Quick Calc Release makes the regular cleaning of loose calc in the steam iron as easy as emptying the water after each ironing session. The very efficient Self Clean function will do the rest.

Self-Clean

In addition to the Quick Calc Release a more thorough clean of your soleplate will remove

the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

Safety auto off

The steam iron shuts off automatically when left unattended. It will switch off after 8 minutes when left standing on its heelrest and after 30 seconds when left resting on its soleplate or sides.

Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

Specifications

Fast & powerful crease removal

- Soleplate: SteamGlide Plus
- Continuous steam output: 45 g/min
- Steam boost: 180 g
- Vertical steam
- Spray
- Power: 2400 W
