Features

For kids

This Philips and Marvel light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by

their favourite Marvel character. This light is designed to be safe for your child.

PHILIPS

For your child's bedside

This Philips and Marvel lamp for your child's bedroom fits perfectly on a bedside table or desk. It sheds a soft warm white light, ideal for bedtime routines like reading a book or telling bedtime stories. Close at hand and easy to switch on, it makes your child feel safe and comfortable at night.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the light on and off.
