* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 57833I

This video splitter allows you to connect up to 4 DVI-D displays on 2 DisplayPort connectors of the PC. The displays can be cloned or extended, so that the same image will display on each of the 4 monitors or as a simple video wall (1x2, 1x4, 2x2) where the displays placed side by side. With the connection of up to 6 of these splitters to a PC with a corresponding number of outputs (12) can be realized a video wall with 24 monitors.

- Input: 2x DisplayPort connector)
- Output: 4x DVI-D connector)
- Supports the display in cloning and expansion mode)
- USB controller via software (Windows compatible))
- Maximum resolution 3840x2160 or 3840x2400 in expansion mode
