## Spend a little, save a lot

Philips quality at a fair price

This Philips EcoHome light bulb is a good choice when you require a basic energy-saving bulb in a compact design. Lasting up to 6 years, this compact bulb will save up to 80% energy and money.

### Benefits

*Saves energy and money*

- Saves up to 80% energy
- Long lifetime - lasting up to 6 years

**PHILIPS**

## Features

## Saves up to 80% energy

This bulb uses up to 80% less energy than traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Long lifetime - up to 6 years

Philips energy-saving bulbs are designed to last. With a lifetime of up to 6 years, you can avoid the hassle and cost of frequently replacing bulbs, while saving energy year in, year out.

## Specifications

## Bulb characteristics

|             |             |
|-------------|-------------|
| Shape       | Stick       |
| Cap/fitting | E27         |
| Voltage     | 220 - 240 V |
| Dimmable    | No          |

## Power consumption

|                             |         |
|-----------------------------|---------|
| Wattage                     | 23 W    |
| Wattage equivalent          | 125 W   |
| Energy efficiency label     | n/a     |
| Power consumption per 1000h | 23 kW h |

## Light characteristics

|                             |                                       |
|-----------------------------|---------------------------------------|
| Application                 | Comfortable light<br>Extra brightness |
| Light output                | 1300 lumen                            |
| Beam angle                  | n/a degree                            |
| Rated center beam intensity | n/a cd                                |
| Color                       | Warm White                            |
| Color temperature           | 2700 K                                |
| Light effect/finish         | Warm White                            |
| Color rendering index (CRI) | 81                                    |
| Starting time               | <= 0.5 s                              |
| Warm-up time to 60% light   | <=60s                                 |

## Durability

|                          |              |
|--------------------------|--------------|
| Lifetime of lamp         | 6000 hour(s) |
| Number of switch cycles  | 4000         |
| Lumen maintenance factor | 80% / 70%    |
| Average Life Years       | 6            |

## Bulb dimensions

|        |        |
|--------|--------|
| Height | 160 mm |
| Width  | 48 mm  |

## Other characteristics

|                 |          |
|-----------------|----------|
| Mercury content | <=2.0 mg |
| Power factor    | 0.6      |
| Lamp current    | 165 mA   |

## Rated values

|                     |              |
|---------------------|--------------|
| Rated luminous flux | 1300 lm      |
| Rated lifetime      | 6000 hour(s) |
| Rated beam angle    | n/a degree   |
