

EHH8945FOG Built-in Hob

The hob that lets your creativity run free

The Infinite Induction hob gives you maximum freedom. As long as they cover one of the four marked points, you can place pans with different sizes and shapes anywhere you like.

Always wipe clean – thanks to the induction technology

Thanks to this hob's professional induction technology, the surface never gets hot. So spills don't harden on, and it cleans up with just a quick wipe.

Control at your fingertips

The Touch controls on this hob let you turn the heat up, down or off – immediately. They're precise and easy to use: just use a fingertip to gently slide to the temperature you need. You can be confident they'll do what you want them to at just the right moment, so

Product Description :

Our Infinite induction hob has self-sizing cooking zones. They cleverly recognise different pan sizes and shapes straight away and send heat straight into the base of each pan, in precisely the right places. So you can put all your favourite pans on the hob together, and have several delicious dishes ready at the same time. 80cm wide induction hob with 2 bridged zones and 2 traditional zones, and Direct Access rotary touch slider with white LED controls.
