Bluetooth® Speaker

€39⁹⁹ RRP

Powerful sound for car, office or home.

- A premium 40mm driver delivers big sound that's ideal for music and calls at any volume.
- Its 9-metre Bluetooth® reception range and built-in microphone make taking the office outside simple.
- With simple multi-touch volume and call controls, it's perfect for on-the-go conference calls.
- Its 950mAh rechargeable battery provides up to five hours of continuous play.
- The durable ABS plastic housing makes it easy to take music and work anywhere.
- It features a removable magnetic clip so you can easily hang it in the car for hands-free calling or take your music and calls anywhere you like.
