

Thule Crossover 14 Liter Sling Pack

The Product

Quickly access your gear and electronics while on-the-go with this comfortable, low-profile sling.

Product Features

- 1. Padded, top-load pouch holds up to a 13 inch MacBook Pro
- 2. Water resistant fabrics and zippers combine to create a lightweight, protective bag
- 3. Asymmetrical zippered pocket entries allow access to your items when you pull the sling forward
- 4. Airflow channels on back panel provide ventilation
- 5. Oversized strap with breathable jersey material
- 6. Shoulder strap stash pocket stores small items
- 7. Water resistant Nylon two tone dobby fabric with custom emboss on lining

Color: Black & Cobalt
