

## Tailored to you Toshiba keyboard upgrades: speaking your language

When you use a device that suits your exact needs, getting things done is easier than ever. That's why Toshiba offer a range of convenient services that adapt your laptop or Ultrabook™ to your exact specification – whether you're about to buy a Toshiba PC, or you're looking to upgrade your current device. Change your keyboard from one language to another, and get the setup you need to type naturally.

### Technical Specifications

Service Description	Toshiba will replace your newly purchased laptop's keyboard with a keyboard in your desired language – either at purchase, or up to three years afterwards. This full service is fulfilled by Toshiba, so won't void your product warranty, and includes all labour, parts, and shipping costs.
