

orion earbuds

\$29⁹⁹ SRP

The iFrogz Orion earbuds deliver complete sound that's ideal for all types of music at any volume. Their unique design keeps the earbuds in place for hours of comfortable listening, while a flat, anti-tangle cord and single-button remote/microphone lets users easily control their music and take calls.

features

Powerful: Neodymium drivers deliver pounding bass and crystal clear highs.

Clever: The Orion earbuds offer a flat, anti-tangle cord with a single-button remote/microphone for easy music and call control.

Stylish: Their UV-treated, high-gloss design is available in a variety of bright colors that are perfect for every adventure.

Ergonomic: A uniquely designed body keeps the cord secure and the earbuds comfortably in place.

Comfortable: With three sizes of double-flanged eartips, the Orions always fit comfortably and help reduce ambient sound.
