HX8911/02

Removes up to 100% more stains in only 1 week*
*than a manual toothbrush

Safely enhance your smile every day without giving up the staining foods and drinks you love! The Philips Sonicare whitening rechargeable toothbrush is proven to remove up to 100% more stains for whiter teeth in only 1 week*.

Proven to improve oral health

- Up to 7x more plaque removal than a manual toothbrush
- Improves gum health in just 2 weeks

Designed around you

- Timers encourage thorough 2 minutes of brushing

Optimize your brushing

- Choose from 2 modes and 3 intensity settings
- Our unique technology brings you a powerful yet gentle clean

Highlights

2 modes, 3 intensity settings

HealthyWhite+ lets you brush your way. Boost your brushing with 3 intensity settings, plus 2 modes to cover your whitening and cleaning needs. Choose Clean – for outstanding plaque removal in 2 minutes, and White – to remove stains like coffee or tea, and whiten teeth by up to 2 shades in only 2 weeks.

Say goodbye to plaque

Densely-packed, high-quality bristles remove up to 7x more plaque than a manual toothbrush.

Look after those gums

With optimal cleaning from your HealthyWhite+, gums will become healthier in 2 weeks. Removing up to 7x more plaque along the gum line than a manual toothbrush, you'll get your healthiest smile.

QuadPacer and Smartimer

It takes just 2 minutes to thoroughly brush your teeth. Our QuadPacer lets you know when you've spent the optimal amount of time on each section of your mouth while our Smartimer signals when your total time is up. Together they help you reach your recommended brushing time, every time.

Philips Sonicare technology

Powerful sonic vibrations whip up your toothpaste into plaque fighting bubbles, and drive them deep between your teeth and along your gum line. At the same time your teeth will experience 62,000 gentle but effective brush movements. You'll get a month's worth of manual brushing in just 2 minutes.
