- Comfort rings
- 50 min cordless use/1h charge
- SmartClick beard styler

S7370/41

Smooth glide, sensitive shave

Philips' no.1 on sensitive skin*

Take the edge off shaving. Specially designed to be comfortable on sensitive skin, the Philips Shaver series 7000 features comfort rings with a unique microbead coating which enables the shaver to glide effortlessly across your face.

Benefits

Designed for maximum skin comfort

- Anti-friction microbead coating for a smooth glide
- Heads effortlessly flex in 5 directions for extra comfort
- Get a comfortable dry or refreshing wet shave with AquaTec

A close and smooth shave

- Blades gently guide hairs for a close, sensitive shave
- Lifts hairs to cut comfortably close

Easy to use

- Intuitive display make the functions easy to use
- 50 minutes of cordless shaving after a one-hour charge
- Shaver can be rinsed clean under the tap
- Comes with a 2-year guarantee

Get the most out of your shaver

- Click-on beard styler with 5 length settings

PHILIPS

Features

Comfort rings

Our Comfort rings contain a unique coating – consisting of thousands of powder-like beads – which creates a soft, low-resistance surface. Therefore, the shaver glides effortlessly across your face and reduces irritation, while leaving your skin smooth.

GentlePrecision Blade System

Our specially-designed blade system protects your skin while cutting extremely close on long, short and flat-lying hairs. The slots are engineered to position each hair at its ideal cutting point, so as to carefully cut without damaging your skin.

5-direction DynamicFlex Heads

DynamicFlex heads effortlessly move in 5 directions to follow every curve of your face and neck for a more comfortable shave.

AquaTec Wet & Dry

Choose how you prefer to shave. With the AquaTec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

1 level battery indicator

The display has a one level battery indicator, a cleaning indicator, a battery low indicator, a replacement head indicator and a travel lock indicator.

50 minutes of cordless shaving

The energy-efficient, powerful lithium-Ion battery system gives you two convenient options: Charge it for an hour for up to 50 minutes of shaving time, or a quick charge for one full shave. All Shaver series 7000 models are designed to operate only in cordless mode to ensure safety in wet environments.

SmartClick beard styler

Change your look with the SmartClick beard styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

Built to last

We back this Philips shaver with a 2-year guarantee. Our Series 7000 shavers are designed for performance and durability.
