## Smooth glide, sensitive shave

Philips' no 1 on sensitive skin\*

The Philips series 7000 protects against the key signs of skin irritation. SkinGlide rings with anti-friction coating enable the shaver to glide effortlessly across your face. Its blades cut close and protect skin, even with 3-day stubble.

### Benefits

#### Designed for maximum skin comfort

- SkinGlide rings with anti-friction coating for smooth glide
- 5 direction flex heads follow contours with less pressure
- Get a comfortable dry or refreshing wet shave with Aquatec

#### A close and smooth shave

- Blades protect skin and cut close even with 3-day stubble

#### Easy to use

- Intuitive display with 3-level battery indicator

- 50 minutes of cordless shaving
- Shaver can be rinsed clean under the tap
- Comes with a 2-year guarantee

#### Get the most out of your shaver

- Click-on trimmer for perfect mustache and sideburn trimming
- Keep your shaver like new with SmartClean

**PHILIPS**

## Shaver series 7000

### Features

#### SkinGlide rings

Experience a more comfortable shave with anti-friction SkinGlide rings coated with microspheres. Thousands of tiny glass-like rounded spheres reduce friction and surface resistance between the shaver and the skin. This gives the shaver a smooth, easy glide and helps protect against skin irritation.

#### GentlePrecision PRO blades

Our updated cutting system has skin protection technology, designed to only cut hair not skin. V shaped blades guide the skin away from the blades for a close smooth shave - even on 3-day stubble.

#### 5-direction Dynamic Flex Heads

Our shaver heads flex easily in 5 directions, gently following all the contours of the face and neck. Less pressure is needed to shave closely and skin stress is minimized.

#### Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

#### 3 level battery indicator

The shaver's intuitive display shows relevant information, enabling you to get the best performance out of your shaver: 3-level battery indicator - cleaning

indicator - battery low indicator - replacement head indicator - travel lock indicator

#### 50 minutes of cordless shaving

The energy-efficient, powerful lithium-Ion battery system gives you two convenient options: Charge it for an hour for up to 50 minutes of shaving time, or a quick charge for one full shave. All Shaver series 7000 models are designed to operate only in cordless mode to ensure safety in wet environments.

#### Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

#### Built to last

We back this Philips shaver with a 2-year guarantee. Our Series 7000 shavers are designed for performance and durability.

#### SmartClick Precision Trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

#### SmartClean System

At the touch of a button, SmartClean cleans, lubricates and charges your shaver, keeping it performing at its best.
