

## TOSTÌ VERDE

**Model:** 0124/12

**Code:** 00C012412AR0

**EAN:** 8003705112186

The new Tostì by Ariete, available in orange and green, will bring a splash of colour to the kitchen. Perfect for toasting bread for breakfast or for a snack, the new Tostì allows you to set the required toasting level precisely. The crumb tray is removable for easy cleaning and the base contains a cord winder to for practical power cord storage. The defrosting and heating functions, along with the automatic ejection of slices and the cold sides make it an undisputed aid in the kitchen.
