- Shaver can be rinsed clean under the tap

- 3-level battery and travel lock Indicators
- 45 minutes of cordless shaving
- 1-hour charging time
- 2-year guarantee, worldwide voltage and replaceable blades

Get the most out of your shaver

- Click-on trimmer for perfect moustache and sideburn trimming

PHILIPS

Features

Turbo mode

Shave even faster through dense parts of your beard with the 10% extra power boost you get by activating Turbo mode.

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble—all in a few strokes.

5-direction Flex Heads

5-direction Flex Heads with 5 independent movements ensure close skin contact for a fast and close shave even on the neck and jaw line.

One-touch open

Simply pop the heads open and rinse thoroughly under the tap.

LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

Shaving Performance

Turbo mode Shave with 10% extra power

45 minutes of cordless shaving

You'll have 45+ minutes of running time—that's about 15 shaves—on a one-hour charge. Or choose to shave with the device plugged in.

1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

SmartClick precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your moustache and trimming your sideburns.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift and Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
