

GSB 600 NFC

Bluetooth speaker with impressive Sound

- Audio streaming from smart phone, tablet or PCs via Bluetooth.
- Apart from 2 mid range speakers and 2 dome tweeters, the product includes two passive radiators. Passive radiators provide exceptional clear bass sound quality which would otherwise be impossible to achieve with a speaker in such size.
- Apt-X codec support for better sound quality.
- Internal rechargeable battery for up to 16 hours music playback time.
- Hands free calling with built-in microphone.
- Multipoint connection upto two devices.

Color: Black / Silver

EAN Code: 4013833874492

Order number: GLR 6400
