

# Thule Strävan Backpack \$99.95

## Thule Strävan Backpack

TSBP-115

A compact but full-featured technology transporter.

\*\* Exclusive to Apple

### Product Features:

1. Dedicated 15" MacBook Pro / padded ipad compartment with storm flap for weather protection.
2. SafeZone for iPhone, sunglasses, scientific calculators.
3. Main compartment unzips fully for flat luggage-style packing of books. Backpack doubles as weekender for quick trips home.
4. Cargo straps provide base compression and bottom grab handle that can also double as a bike light attachment.
5. Org pocket with gusset for flexible storage capacity. Includes ID/badge/key tether.
6. Mesh water bottle pockets (both sides)
7. Reflective ticked pulls and logo.
8. Shoulder strap suspension for comfort
9. Accordion pleated gussets allow for very clean compression and flexible capacity.
10. 500D nylon material with TPE backing
11. Water-resistant YKK zipper tape
12. Durable Nylon base
13. PVC-free construction
