

#### Wireless noise-cancelling headphones

- 32-mm drivers/closed-back
- On-ear
- Soft ear cushions
- Compact folding

SHB8850NC/00

## More sound, less noise

wirelessly

No wires, no noise and no compromise. Immerse yourself in music with advanced ActiveShield™ active noise cancelling technology. Connect wirelessly with NFC one-tap pairing, enjoy music and manage calls with smart control on earpads.

#### Benefits

##### Art of Noise Cancellation

- ActiveShield™ noise cancelling reduces noise by up to 97%

##### Clear and natural sound

- 32mm neodymium speaker drivers deliver precision sound
- Soft ergonomic cushions for long wearing comfort
- High-quality Bluetooth 4.0

##### Make life more convenient

- Extra audio cable means music can continue without power

- Convenient hands-free calling with mic and Bluetooth® 4.0
- Multi-point plays music and calls on two devices at once
- Rechargeable battery offers up to 16 hours of wireless music
- Simple NFC one-tap pairing
- Control calls, music and volume with ear-shell switches
- Activate Siri and Google Now with a press-on earcan button
- Compact folding for easy carrying and storage

# PHILIPS

## Features

### 32 mm high-definition drivers

Finely tuned 32 mm neodymium drivers combined with a closed-back acoustic system design and on-ear sealing provide an excellent and impressive precision sound.

### Extra audio cable included

Unlike most noise-cancelling headphones, the headphones work with or without battery to consistently deliver excellent audio in any environment. If the battery runs out, simply plug in the audio cable and continue enjoying your favourite music.

### Hands-free calls

### Multi-point

Multi-point allows you to connect your Philips Bluetooth headphones with two Bluetooth-enabled devices simultaneously. Simply pair up the two devices to enjoy movies and music while effortlessly taking calls in between.

### Rechargeable battery

Enjoy 16 hours of continuous music playback even with Bluetooth and active noise-cancelling on, 28 hours when only Bluetooth is on and 33 hours when only ANC is on.

### Simple NFC pairing

Simple NFC pairing lets you connect your Bluetooth® headphones with any Bluetooth-enabled device – with just a single touch.

### Button controls

Button controls on the right ear shell enable you to control music and calls with a press.

### Soft ergonomic cushions

### ActiveShield™

ActiveShield™ active noise-cancelling technology features two feed-backward microphones used for cancelling low frequencies. It detects ambient noise and inverts the sound wave, effectively cancelling it out and converting background noise to silence.

### Works with Siri/Google Now

Compatible with Siri and Google Now, the latest Philips Bluetooth headphones make using your virtual assistant even easier. All you need is a press on the earcan button to activate Siri on iPhone or Google Now on Android devices.

### Compact folding

The compact, foldable design makes it the perfect on-the-go companion.

### Bluetooth 4.0

Enjoy high quality wireless sound with Bluetooth 4.0.
