

DECT Baby Monitor

- 100% private connection
- Night light and lullabies
- Talkback function

SCD506

The most reliable connection to your baby

Complete peace of mind whilst your baby sleeps

Our new Avent DECT Baby Monitor give you the reassurance of feeling close to your baby, even when you are not in the same room. The most reliable connection with improved crystal clear sound*, a soothing nightlight and lullabies.

Benefits

Reliable technology

- DECT technology guarantees zero interference & 100% privacy
- Perfect clear sound due to DECT Technology

Constant Reassurance and Secure Connection

- Sound level lights indicate if the baby makes noise
- Always know when your monitor is in range and connected
- Automatically energy saving Smart ECO mode

Freedom and flexibility

Features

Zero interference with DECT

DECT technology guarantees zero interference from any other transmitting product like other baby monitors, cordless phones and cell phones. Data

- Range up to 330 meters*
- Rechargeable parent unit
- Superior operating time up to 24 hours

Comforting and soothing your baby

- Calming & soothing
- Stay connected with talk back

encryption provides a secure and private connection, so you can be sure that you are the only one that can hear your baby.

PHILIPS

Perfect clear sound

Hear every tiny giggle, gurgle, and hic-up with perfect clarity. DECT (Digital Enhanced Cordless Telecommunications) technology provides high quality, crystal clear sound so you can hear your baby anytime.

Sound activation 5 LED lights

Lights are activated to indicate the level of sound in your baby's room. Even when the Parent Unit is muted.

Always connected

The parent unit will alert you when your monitor is out of range or when the power is low, helping you make sure that you are always connected to your baby.

330m Range

Indoor range up to 50 meters*. Outdoor range up to 330 meters*.

Rechargeable parent unit

The rechargeable parent unit enables you to move in and around the home.

Operating time up to 24 hours

The small, rechargeable parent unit will give you the freedom of cordless reaming for up to 24 hours before re-charging is required. However this is depending on the type of batteries used and how often and how long you use the parent unit on batteries.

Calming & soothing

Help soothe your baby to sleep with the warm tranquil glow of the night light and soft lullabies.

Talk back function

Sometimes all your baby needs is the soothing sound of your voice. With one click of this essential feature you can connect with your baby from anywhere around the home.

Smart ECO mode

The unique Smart ECO mode automatically minimizes your transmission power and increases your battery lifetime. The closer you are to your baby, the less power is needed for a perfect connection (not available in US and Canada).
