Provides a superior clean

- DiamondClean brush head offering the best whitening
- Sonicare dynamic sonic action drives fluid between teeth

PHILIPS

Features

Whitens teeth

This Philips Sonicare toothbrush removes up to 100% more stains for whiter teeth in just 1 week.

DiamondClean brush head

DiamondClean toothbrush heads, Philips Sonicare's best whitening brush head, have diamond shaped bristles that are medium-stiff to effectively yet gently scrape away plaque. This Philips Sonicare electric toothbrush provides an exceptional cleaning and whiter teeth compared to a manual toothbrush.

Click-on tongue brush

With 240 rubber MicroBristles, the TongueCare+ tongue brush is specifically designed to clean the soft and porous surface of your tongue. The flexible MicroBristles contour to and gently clean around the ridges and grooves, to remove bacteria build-up and drive our bacteria-killing BreathRx tongue spray deeper. The compact shape allows you to comfortably clean the entire tongue.

Easy to use

TongueCare+ tongue brushes quickly transform your Philips Sonicare toothbrush into a sonic-powered tongue cleaner. Each tongue brush clicks onto your Philips Sonicare toothbrush handle, just like a regular brush head. Simple to use, replace and clean, these innovative tongue brushes are compatible with all Philips Sonicare click-on toothbrush handles, so it couldn't be easier to add tongue cleaning to your daily oral care routine. It fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

Clean and White mode

2-minute Clean mode offers the ultimate in plaque removal (Dental professional recommended brushing time). White mode removes surface

stains, brightens and polishes teeth. Removes everyday stains, such as coffee, tea, tobacco and red wine. Whitens teeth by 2 shades in just 2 weeks.

6 customisable settings

Philips Sonicare Stain Removal toothbrush allows you to mix and match modes (Clean mode, White mode) and 3 intensities for maximum comfort and your best clean.

BreathRx tongue spray

The unique combination of ingredients in our Philips Sonicare BreathRx tongue spray is clinically proven to kill bad breath bacteria and neutralise odours instantly. The special thick formula coats the tongue and keeps it lubricated for a gentle cleaning experience. The cool mint flavour leaves your mouth feeling fresh and clean.

Sonic power

TongueCare+ is the only tongue cleaner with Philips Sonicare strength, to clean away bad-breath bacteria with every stroke. 31 000 vibrations per minute break up tongue debris, sweep away bad-breath bacteria and drive the bacteria-killing ingredients of the BreathRx tongue spray deeper. Thanks to our Philips Sonicare technology, your tongue will feel cleaner and your breath will stay fresh for longer.

Removes up to 7 x more plaque

Removes up to 7 times more plaque from hard-to-reach places than a manual toothbrush.

HealthyWhite+

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks.

Sonic technology

The Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gum line.
